BERGEN COUNTY ACADEMIES RELAY FOR LIFE 2019

BACKGROUND

The Bergen County Academies Relay for Life was first held in June 2008 by a small committee of students as a fundraiser for the American Cancer Society and a way to raise cancer awareness. This once small fundraiser, has since grown tremendously over the years and we are expecting a turnout of 400-500 participants this year.

EVENT INFORMATION

JUNE 14 - JUNE 15 // 6PM - 6AM
200 HACKENSACK AVE, HACKENSACK, NJ 07601

Relay for Life is an all night cancer fundraiser and walkathon that raises money for the American Cancer Society. During the event, participants take to the track to log laps against cancer because cancer never sleeps. Throughout the event, cancer survivors and caregivers are honored in a special ceremony.

The money raised for the American Cancer Society goes towards supporting cancer patient programs and performing groundbreaking research that can help save lives.
